

Request Tracker Update to 3.8.1 on rt.icdevgroup.org

Stefan Hornburg (Racke)

2008-10-20

Request tracker (RT) on rt.icdevgroup.org has been updated on last Saturday to 3.8.1. The 3.8 series introduces lots of new features and fixes hundreds of bugs.

- dashboards
- ticket bookmarks
- richtext email
- email signatures and encryption
- relationship charts
